DESCRIPTION

Beautifully renovated by its current owners, this single-story mid-century home blends timeless style with modern comfort. The open, light-filled layout is designed for today's living, featuring 3 bedrooms, 2 full baths, and a half bath. The main living area flows effortlessly into a sleek, updated kitchen and out to an oversized covered patio overlooking a serene backyard oasis. Every detail has been thoughtfully updated, from core systems to refined design finishes. Highlights include stylish flooring, a gourmet kitchen with a walk-in pantry, and elegant wood and tile accents throughout. The spacious primary suite offers a luxurious bath and a generous walk-in closet. A versatile third bedroom suite, complete with durable tile flooring, is ideal for a home gym, office, or guest space. A two-car garage adds convenience, while the prime location near Central Market, Northaven Gardens, and the Northaven Trail enhances everyday living. Combining beauty, functionality, and value, this home presents a rare opportunity to own a fully updated mid-century gem in a highly desirable location.
