DESCRIPTION

Experience refined city living in this beautifully updated two-story residence, nestled within a private gated enclave perfectly positioned for quick access to the Medical District, Love Field, Uptown-Downtown as well as shopping & dining at Lovers Ln and HP Village. The heart of the home is a light-filled, open-concept living area featuring soaring vaulted ceilings, rich hardwoods, and seamless flow to a private balcony. The chef's kitchen has been reimagined for 2026 with sleek quartz countertops, a classic farm sink, modern hardware, and freshly painted cabinetry. The primary suite serves as a true retreat, boasting dual vanities, a spacious walk-in closet, and a spa-like bath with both a soaking tub and a separate shower. On the first floor, a generous secondary bedroom suite offers privacy for guests or a quiet home office, with direct access to the patio. The entire interior has been refreshed with a crisp, neutral palette, enhancing the home's airy architectural lines. Additional highlights include an attached 2-car garage and a private first-floor patio perfect for pets. Step outside to enjoy the community pool just feet from your door. This is low-maintenance luxury in one of Dallas proper's most central hubs.
