DESCRIPTION

Welcome to 1023 Auburn Drive in Arlington, Texas—an updated 4-bedroom, 2.5-bath home offering approximately 2,210 square feet of functional living space on a spacious 9,278 square foot lot. This property features a well-designed layout with multiple living and dining areas, creating flexibility for everyday living, entertaining, or work-from-home needs. The kitchen includes granite countertops, deep sink, pantry storage, double-wide drawers, and a smart stove with built-in air fryer. Adjacent laundry area offers built-in cabinetry, a half bath, and direct access to the garage, which also includes additional storage cabinets. Interior highlights include a double-sided fireplace, abundant natural light, self-retracting blinds, and motion-sensor hallway lighting. The primary suite includes dual closets and a double-sink vanity. A secondary bedroom features a walk-in closet, and a mounted TV in one of the additional rooms will convey with the property. Recent updates include improved ventilation, a central HVAC system (approximately 5 years old), and a full security alarm system. Additional features include a smart garage door opener, multiple storage closets, and built-in cabinetry throughout. The backyard is designed for outdoor enjoyment, featuring a heated pool, extended side driveway with space for additional parking (such as recreational vehicles, trailers, or boats), and a privacy fence. Landscaping incorporates Texas-native plants, and the yard is supported by a French drain system and smart irrigation for efficient maintenance. Conveniently located with access to major highways, shopping, and recreational areas, this home offers a combination of indoor comfort and outdoor functionality. A nearby utility substation is present in the area. If you're looking for a well-maintained Arlington home with a pool, flexible living space, and practical upgrades, 1023 Auburn Drive is a strong opportunity to consider.
