DESCRIPTION

Welcome to this beautifully refreshed 4-bedroom home in sought-after Lakewood Heights, where classic charm meets thoughtful updates throughout. A private front courtyard creates a welcoming first impression and sets the tone for the comfortable, inviting spaces inside. Fresh hardwoods lead you into an open living, dining, and kitchen area that feels bright, functional, and ideal for everyday living and entertaining. The living room is filled with natural light and features vaulted ceilings, a cozy fireplace, and French doors that open to the courtyard. The updated kitchen offers a large granite island, breakfast bar, stainless steel appliances, and an easy flow into the breakfast area and butler's pantry, making the heart of the home both stylish and practical. The first-floor primary suite provides a relaxing retreat with a bay window, walk-in closet, and an updated bath with dual sinks and a frameless glass shower. Also downstairs are two secondary bedrooms, including one with an ensuite bath, along with a utility room and mud area for added convenience. Upstairs, a spacious ensuite bedroom with vaulted ceilings is accompanied by a flexible open area that could serve as a study, workout space, or lounge. Recent improvements throughout the home give it a fresh feel, and the property also includes a 270v charging socket for added modern convenience. The landscaped backyard offers a large open deck, covered patio, turf lawn, detached 2-car garage, and automatic gate.
