DESCRIPTION

Pictures do not do this property justice. The peace and quiet of the country, but not too far from the conveniences of city life. You'll be moved in just in time to host end of school year parties with this gorgeous in ground pool. This home was beautifully and thoughtfully designed, it's obvious as soon as you walk in. No details were left untouched from the living room ceiling, to the spacious bedrooms, tall doorways, quartz counters, oversized closets, tile selections, wood floors, electric shades, upgraded iron front door and so much more. 3 bedrooms, separate office, huge game room, 3 full bathrooms, 3 car garage, oversized driveway, fenced in pool area with covered back porch on a quiet street all on 2 acres with no HOA - sounds like the total package to me.
