DESCRIPTION

Escape the ordinary. Nestled along the shimmering main body of the lake, this extraordinary property delivers over 480 feet of waterfront and the rare luxury of two complete homes — because the best getaways are always better shared. Whether you're hosting a multigenerational family retreat or a weekend gathering with friends, there's room to spread out, unwind, and make memories that last a lifetime. Spend your mornings with coffee on a covered balcony, soaking in sweeping water views, then fire up the grill on the cozy patio as the afternoon sun dances across the lake. When the water calls, you're ready — a double dock with boat lift and Sea-Doo lifts puts every water adventure at your fingertips. And making your way down to the water's edge is nothing short of spectacular, thanks to stunning stone steps with iron railings that cascade down the mountainside in style. As impressive as this property is for weekend escapes, it's equally equipped for the full-time lake life. With a dedicated garage, ample storage throughout, and all the practical amenities needed for comfortable day-to-day living. Whether you're ready to make the move permanently or simply want the option, this property is ready when you are. This isn't just a property — it's a destination. Located just over an hour from downtown Fort Worth, yet a world away from the noise, you'll also find yourself only 30 minutes from Palo Pinto Mountains State Park for hiking and outdoor adventure, and 30 minutes to historic Mineral Wells for charming shops and local dining. Two homes. 480+ feet of waterfront. Full-time ready. Endless memories waiting to be made.
