DESCRIPTION

Step into this architecturally significant single-family home, masterfully designed by AIA award-winning architect Josh Nimmo. Nestled in the heart of East Village—just steps from the upcoming The Central development and minutes from Uptown, Lower Greenville, and Knox-Henderson—this home offers the perfect blend of location, design, and lifestyle. The first floor welcomes you with oversized sliding glass doors that seamlessly connect indoor and outdoor living. Enjoy a private fenced yard featuring elegant black Tejas stone, a cozy firepit, and a stunning Japanese maple—a true urban oasis. Inside, you'll find 3 spacious bedrooms plus a dedicated office, two private balconies, and a striking two-story wall of glass that floods the home with natural light. Premium finishes and thoughtful upgrades abound: Sonos surround sound, automated shades, Lutron Caseta smart switches and dimmers, Bosch appliances, museum-finish walls, solid core doors, and beautiful white oak hardwood floors. This is a one-of-a-kind design with no HOA, no shared walls, and no compromises—just elevated modern living in one of Dallas' most dynamic neighborhoods.
