DESCRIPTION

Perfectly positioned on a coveted cul-de-sac corner lot of nearly half an acre within the prestigious gated community of Twin Lakes, 1410 Jacob Avenue is a rare offering that has been completely reimagined with thoughtful, high-end upgrades throughout — and it shows in every single detail. Zoned for top-rated Keller ISD, this exceptional home welcomes you with a grand two-story foyer, a sweeping curved staircase with wrought iron spindles, and soaring ceilings that open to a breathtaking formal living room anchored by a floor-to-ceiling white stone fireplace and a dramatic wall of glass overlooking the pool. Wide-plank white oak hardwood floors flow throughout the main level. The remodeled chef's kitchen impresses with white cabinetry, quartz countertops, subway tile backsplash, KitchenAid double ovens, a gas cooktop, two islands, and a walk-in pantry. The family room offers a second gas fireplace, custom built-ins, and seamless pool views. The primary suite is a sanctuary — featuring a vaulted spa bath with two vanities, a garden tub, a curved glass shower, and private access to the covered patio. Upstairs, a game room, a generous bonus flex room, two additional bedrooms, and a sweeping covered deck complete this magnificent home. Outside, a pool and spa were fully retiled and replastered in 2025. All major systems were replaced in 2021 and 2022 — including three HVAC units, all flooring, all appliances, a full repaint, and epoxy garage floors. Perfection, delivered.
