DESCRIPTION

Situated on over 2.5 acres, this recently updated property offers a rare opportunity to enjoy peaceful, country living with convenient city access. Surrounded by mature trees, lush greenery, and your very own pond, this property offers privacy with a view. This space is perfectly designed for entertainment or personal enjoyment. Just off the backyard deck you'll see a resort style diving pool and spa with an attached pool house for guests. Step inside the home to an open main living area featuring expansive windows, modern lighting, and custom wainscoting details. This property includes two main living areas with custom details, fireplaces, and generous space for entertaining, complemented by gorgeous scenic views. The floor plan offers flexibility with two primary suites, one on each level, each featuring an ensuite bathroom. The main level suite includes a sitting area ideal for guests or multigenerational living. The upstairs suite offers two large closets with custom built ins and an expansive ensuite bathroom with designer touches; including a double vanity, freestanding tub, marble like tile, and wood paneling. A separate pool house of approximately 400 sq ft includes a kitchenette and full bathroom, offering additional space for guests, entertaining, or private use. With a little imagination the large shed with included loft can be turned into another guest house, work shed, garage, gym, or business space! Dog lovers and rescuers!! This property offers private commercial grade dog kennels - each with its own attached dog run. Private road located at the rear of the property for additional access and entry options. This beautifully thought out property offers a unique opportunity for acreage living with functional multigenerational space in a convenient central location.
