DESCRIPTION

Tucked away on a peaceful 5-acre parcel, this charming one-owner log cabin in highly sought-after Peaster ISD offers the perfect blend of rustic character and country comfort. This one-of-a-kind, heavily wooded 4.4.3 property beckons you with warm wood tones, cozy cabin charm, and serene surroundings that make everyday life feel like a retreat. The 28ft front porch welcomes you into the large living room with a stone fireplace and raised hearth. The eat-in kitchen has knotty alder cabinets, an electric range oven, and a built-in microwave. The dining room is spacious with French door access onto the back patio near the small pond with water feature. The second living room down is perfect for a game room, media room, playroom, or in-law retreat. The primary ensuite has a jacuzzi tub, linen, and large walk-in closets. The guest suite down has built-ins, a large walk-in shower with pebblestone and stacked stone accents. Upstairs, both beds are oversized with dual closets and direct access to the Jack-n-Jill full bath with dual vanities, a linen closet, and a shower-tub combo. Although heavily treed, there is a natural clearing perfect for an arena or large workshop. Whether you're sipping coffee on the porch, enjoying quiet evenings under the Texas stars, or taking in the natural beauty around you, this home offers the kind of peaceful lifestyle that's hard to find. With its inviting atmosphere, timeless log cabin appeal, and location in the award-winning Peaster school district, this property is the perfect escape while still being conveniently close to town. In 2013, the owner added the guest suite, the second large living room, and the 3 car garage. The owner will allow the buyer to put livestock or horses on the adjacent 5 acres after purchase if desired.
