DESCRIPTION

6419 Laurel Valley Road is in the North Dallas Prestonwood neighborhood served by some of the best schools in Richardson ISD. It's a big, beautiful home on a pretty street, that you will love living in! When you enter the front door, right away you notice the high ceilings and big plate glass windows that offer views of the gorgeous pool and covered, outdoor living area. The crepe myrtles and other outside plants are so pretty and well cared for. The tiled walkway from inside the front door takes you straight ahead to the kitchen and den, half-bath, laundry room, and to the garage – or you go to the right side of the house and into the primary suite. There is a second bedroom on the main level, just inside the front door, plus 3 bedrooms, built-ins, and 2 full baths upstairs. Everything in the house is the right size if you like big rooms and huge closets! BE SURE TO GO INTO THE HUGE CLOSET UPSTAIRS SO YOU CAN SEE THERE'S A SECOND HUGE CLOSET INSIDE THAT ONE. Check out the closet under the staircase, too. You will notice that the house is in pristine condition because the owners take such great care of it. The roof and gutters were just placed in 2026, and leaf guards were added – the fence is in good condition -- fresh paint inside and outside – the landscaping is beautiful and freshly trimmed – the cooktop, double ovens and microwave are only 3-5 years old – the SubZero built-in refrigerator freezer works great. The family room is by the kitchen, and it is big and comfy! There's a doggie door from the laundry room to a nice dog run on the side of the house. Windows and sliding doors have been replaced. Exterior siding is in good shape. Other features include a sprinkler system, over-sized garage with workbench, epoxy floor, and extra parking pad outside the garage door to the alley – retractable screen at the door from the primary bedroom to the pool – in-wall vacuum system – 2 water heaters – 3 AC zones – ceiling fans - sink and hang-dry space in laundry room.
