## DESCRIPTION

Opportunities like this rarely come available. Tucked on an oversized .32 acre cul-de-sac lot this fully remodeled home overlooks hole 15 of the Jack Nicklaus-designed Dallas Athletic Club. Perfectly positioned for privacy from your neighbors, it captures stunning golf course vistas and sunsets from nearly every room. Transformed in 2024, the open, light-filled interior features modern updates, all new flooring, updated kitchen and baths, newer HVAC, electrical, pool updates, windows, window coverings and roof to name a few. Upon entering, the large living room windows draw your eye across the resort-style pool to the tree-lined course. The modern kitchen boasts new quartz counters, cabinetry updates, and high-end appliances, flowing seamlessly into the den and updated bar. The first-floor primary retreat offers a fireplace, views and access to the yard, dual vanities, a dual shower head walk-in shower, soaking tub, and serene views as well as an oversized walk-in closet with built in shelving. Upstairs holds a Jack-and-Jill suite plus a separate guest suite with a private balcony overlooking the course. The backyard is a private masterpiece for outdoor living, featuring a recently resurfaced pool with a tanning ledge, hot tub, fire pit seating area as well as 200 linear feet of golf course frontage. Enjoying a beverage and watching the sunset creates a peaceful, resort-like atmosphere. Includes an oversized three-car epoxy garage with a climate-controlled separate garage gym. Meticulously maintained and updated, this is one of the most premier properties on the golf course. Easy access to Highways and all Dallas has to offer.
