Built by Michael Dike Fine Homes and situated on a tucked away street deep in the beautifully landscaped Crestwood enclave, this home offers tranquility and relaxation at every turn. From the moment one enters the double height foyer, one exhales into gracious and inviting living spaces. An expansive view through the accordion door from the living room to the enormous covered outdoor kitchen and entertainment area through to the large backyard makes this indoor outdoor living space an entertainer's dream. Tall ceilings and natural light abound throughout the custom built kitchen and breakfast area featuring the best in designer finishes and chef's appliances. Built in refrigerator freezer combination, 48 inch range with double ovens, six burners with griddle features, and cabinets galore provide everything the home cook or master chef desires. Artfully designed spaces flow from one to another, with the secluded owner's suite on the main level, a second bedroom and full bath on the main level, and a private, spacious dining room with French doors leading to a beautiful outdoor terrace, perfect for before or after dinner conversation and gathering. A mudroom, walk in pantry and 3 car garage provide plenty of storage for everything an active family needs. Second level features give everyone a space of their own. Walk in bar, huge game room, 2 vaulted bedrooms with ensuite baths and a dedicated office nook provide space for study, rest and great sport watching events, all soaked with the natural light flowing in from well place windows and doors.
