## DESCRIPTION

Bright, stylish, and thoughtfully designed, this 3-level condo offers the perfect blend of privacy and city living! The main living level welcomes you with an open-concept living and dining area filled with natural light, flowing seamlessly into a modern kitchen with ample storage and prep space. A convenient half bath adds functionality for guests. Upstairs, two bedrooms each offer their own privacy and comfort with en suite baths. Outdoor living is a highlight of this home! Enjoy your private deck for morning coffee or evening relaxation, and head up to the rooftop patio where a stunning skyline view creates the perfect backdrop for entertaining, sunset watching, or unwinding after a long day. Within walking distance of the renovated HEB at Hancock Center, Jo's Coffee, and more! With three levels of living space, multiple outdoor areas, and a layout designed for modern living, this condo delivers the best of style, function, and city views in one exceptional home.
