DESCRIPTION

Located in the heart of Brentwood! Positioned on a private corner homesite with 3 outdoor spaces that are fully fenced, xeriscaped and provide peace and serenity just steps away from the urban core of the Brentwood neighborhood. The main level features stained concrete and an open living and dining layout framed by floor to ceiling windows that bring in natural light. The kitchen anchors the space with quartz countertops, a distinctive metal island, and GE Profile stainless steel appliances including a gas range and built in microwave. A large sliding glass door off the kitchen opens directly to the private patio. Upstairs features reclaimed oak hardwood flooring and exposed wood beams that add architectural character and warmth. The primary suite features vaulted ceilings, a spacious walk in closet, and a well appointed bathroom with dual vanities, quartz countertops, a soaking tub, and a separate walk in shower. The 2 additional bedrooms includes hardwood flooring and access to a Jack and Jill bathroom. Additional interior features include natural wood accents, recessed lighting, wood beamed ceilings, and a smart thermostat. Exterior materials combine metal and wood siding for architectural interest. Notable upgrades and systems: HVAC full system replacement in 2022. Kitchen appliances include dishwasher (2021), refrigerator (2019), Garbage disposal (2025), Range (2025). Gate motor (2024) & garage torsion spring (2023) This stunning home provides convenient access to local restaurants, coffee shops, parks, and major Austin corridors while maintaining a quiet residential setting.
