## DESCRIPTION

Discover one of Austin's best-kept secrets: a spacious, single-story 3-bedroom, 2-bath condominium nestled in walkable Northwest Hills, consistently ranked among Austin's most sought-after communities. With a versatile floor plan that includes two dining areas — easily converted to a home office or study - this home adapts to the way you live. Soaring vaulted ceilings in the main living area create an open, airy feel, while treed views and abundant natural light pour in through updated windows, making every day feel like a retreat. Unlike most condos in this price range, every bedroom here is generously sized with room for large beds and oversized furniture - no compromise required. The home has been thoughtfully updated throughout: new flooring, fresh paint, new vanities, new light fixtures, a recent dishwasher, and a new breaker panel give buyers the peace of mind of a well-maintained home with nothing left to do but move in. Step outside and you're immediately immersed in one of Austin's most walkable, nature-rich environments. The Steck Valley Greenbelt is just one block away, Bull Creek Park is within easy walking distance, and the community's towering live oaks, sparkling pool, and tennis courts make this a true neighborhood - not just an address. Dogs and their people thrive here. Top-rated Hill Elementary and Anderson High School are just across the street and blocks away, two of AISD's most celebrated campuses. Torchy's Tacos, Galaxy Café, Azul Tequila, Another Broken Egg, Randall's, and Walgreens are all within blocks. The Arboretum and Arbor Walk are under 10 minutes away; The Domain is 15; downtown Austin is less than 20. A CapMetro bus stop is steps from your front door. Wired for Google Fiber. This is the Northwest Hills lifestyle at an accessible price point - you won't want to miss this incredible opportunity!
