DESCRIPTION

Rare opportunity in Eanes ISD! Newly subdivided 1.49-acre homesite (Lot 10A) in the desirable Camelot community. Adjacent Lot 10B (1.495 acres) is also available—combine both for a rare 2.985-acre estate-sized property. This property offers a unique combination of size, usability, and location—relatively flat (especially compared to many large lots in the area) with excellent tree cover, rear privacy, and potential downtown views from a second-story build. Ideal for a custom estate with room for more than just a home—tennis court, large garage/workshop, pool, or additional structures. Engineering design has already been completed (including rain gardens and detention ponds), allowing up to 45% impervious cover per lot (~29,305 sq ft per lot), providing flexibility for nearly any project. Convenient “close-in” location just minutes to Downtown Austin, UT, airport, shopping, and top-rated Eanes ISD schools—without the need to navigate IH-35. Quiet office buildings behind lots are low-impact and silent at night. A unique opportunity to enjoy space, privacy, and convenience all in one.
