DESCRIPTION

FURNITURE NEGOTIABLE! Can be sold fully furnished, partially furnished, or unfurnished. Rare opportunity to own a 1-bedroom residence at The Tyndall featuring some of the most sought-after elements in the building — first-floor living, a courtyard-facing patio with private gated access, and a beautifully remodeled bathroom. This rare layout offers true indoor-outdoor living, with one of the only private patios in the building that opens directly to the amenity courtyard. Tall ceilings and floor-to-ceiling windows flood the space with natural light, creating a bright, open feel throughout. A standout feature: two assigned parking spaces in the secure garage — an uncommon offering for 1-bedroom units at The Tyndall, where most include just one. A second deeded space is included with the purchase. Positioned on the first floor for convenience without sacrificing privacy, the unit overlooks a peaceful, park-like courtyard while offering immediate access to the building's amenities. The Tyndall offers 24-hour concierge service and a full suite of amenities including a resort-style pool, fitness center, conference rooms, fire pit, and thoughtfully designed outdoor spaces with downtown views. Located at the edge of downtown and the East Side, you're just minutes from some of Austin's best restaurants, coffee shops, and nightlife, with easy access to I-35 for getting anywhere in the city.
