DESCRIPTION

Welcome to 2201 Zach Scott! This corner townhome in Mueller offers more space and flexibility than most, and an unbeatable location. New hardwood floors run throughout, and vaulted ceilings give the living spaces a light, open feel. The 2 Bed/ 2.5 bath plus office townhouse features 1821 square feet of urban living. The large kitchen is set up for real life: granite countertops, a center island, glass tile backsplash, and an open layout that keeps everyone connected. The downstairs office/study and upstairs loft give you two additional flex spaces to suit your needs. The living room with a wall of windows and tall ceilings is the centerpiece of the house. Both bedrooms are upstairs with their own private baths. Laundry is conveniently located on the second floor as well. Outside, a private courtyard with deck, beautiful garden and blooming crossvine are low-maintenance and ready to enjoy year-round. The 2-car garage rounds out a package that's genuinely hard to find in Mueller. One block from Ella Wooten Park and Lake Park, and walkable to Mueller's pools, trails, Farmers Market, HEB, Alamo Drafthouse, Loca d'Oro, The Thinkery, and Morris Williams Golf Course. Easy access to downtown, Austin's hike and bike trails and more.
