## DESCRIPTION

Experience Hill Country luxury in this stunning Travisso home that is now For Lease. Perched on an elevated lot with sweeping views, this Taylor Morrison 5 bedroom, 4.5 bathroom, plus a game and media room home is designed for those who want the space of a private retreat without sacrificing convenience. The open main level centers around a floor-to-ceiling fireplace and custom built-ins, flowing naturally into a chef's kitchen featuring a quartz waterfall island, wine fridge, and an updated backsplash. Whether you're hosting or relaxing, the integrated speaker system moves with you from the kitchen out to the expansive patio. The layout is as functional as it is high-end. A dedicated front office with custom cabinetry provides a quiet workspace, while the primary suite offers a private main-floor escape with a custom-designed closet and speaker-integrated ensuite. Upstairs, the entertainment options expand with a large game room and a professional-grade media room fully wired for 7.1 surround sound. The outdoor living space is a true standout, featuring a built-in five-burner gas grill, an outdoor kitchen, and a private pool area with extended Cool Crete decking. For sunset views, the second-story balcony offers one of the best vantage points in the neighborhood. Beyond the finishes, the home is equipped a backup generator, two high-efficiency HVAC systems, two tankless water heaters, and a Kinetico water softener with reverse osmosis. Located just steps from the Travisso community center and minutes from H-E-B, Costco, and local dining, this home offers a rare opportunity to lease a property of this caliber in a premier Leander location.
